

Remote Learning

Dear Parents and Carers,

5th November 2020

This week we have made decisions around our remote learning, our commitment to continue to educate your children if they are ever requested to self-isolate.

We are FULLY committed to keeping our school open but in an event of a bubble closure or individual children needing to self-isolate we need to have systems in place that will provide high quality teaching for those children.

Level 1

If your child is self-isolating because a family member is awaiting a test or showing symptoms please contact school. Your child's teacher will provide you with a remote learning pack. The contents will vary depending on the age of your child.

Your child should work through the activities provided and bring the pack, with completed work, back into school when they return. The work can then be marked and feedback given.

Level 2: The class bubble is sent home

- Plans for the week will be uploaded onto the school website under the remote learning tab on the front page.
www.tywardreathschool.org.uk
- It will be a combination of Maths and English as well as a foundation subject like history, geography or art.
- By 9.30am a video, live or recorded, will be available on Microsoft Teams. Your child will be expected to attend. The session will include instructions for the day and may include a teaching activity. E.g. phonics/spelling. You will receive an email with an invitation to join.

Microsoft Teams can be downloaded onto a PC, a tablet or a smart phone.

- You will be able to send your child's work to the Teacher via the class email.

Class emails are as follows:

- littlegerrans@tywardreathschool.org.uk
- crinnis@tywardreathschool.org.uk
- booley@tywardreathschool.org.uk
