

Duporth

Duporth have been working really hard studying both year 6 and year 7 maths this week ready for their transition. Performance practice is coming on well with the year sixes working hard to learn lines and songs whilst year 5 help prepare props, programmes and invites.

Our WOW awards this week for community go to Ernie and Lauren for always helping others.

Polmear

Polmear have been learning about the impact plastics have on the environment during their participation in a Plastic Pollution Workshop.

Lower KS2

In Silvermines and Gribbin children have been finishing off their decimals unit with some outdoor learning focused on comparing decimals.

Carnjewey

This week we have been exploring symmetry in maths - we have created our own patterns and explored different ways to create symmetrical patters. The children made their own weather reports that looked at the weather in the Amazon Rainforest. I was super proud of how well they all swam in the swimming gala - they have all improved so much with their swimming. We are looking forward to our trip to Eden on Monday - don't forget your packed lunch!!

Next Week's School Menu

Monday	Ham Mac 'n; Cheese (M)	Tuesday	Chicken Curry (M)	Wednesday	Cottage Pie (M)	Thursday	Fish & Chips (M)	Friday	Jacket Potato Day

School meal costs are increasing.

From September the Department for Education are increasing the cost of a school meal to £2.41 or £12.05 per week (5 days).

It is important for ParentPay accounts to be kept in credit and meals to be paid for in advance.

If you think you maybe entitled to Pupil Premium/Free School Meals, please speak to the school office.

We need to know!

If your contact detail change or you move house, we need to know. Please contact the school office to inform us if you mobile/ landline number, address or email address changes.

It is important that the information we hold on file is up to date at all times.

Thank you

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

"The Summer Reading Challenge this year provides a fantastic opportunity to reveal the science, engineering and innovation all around us."

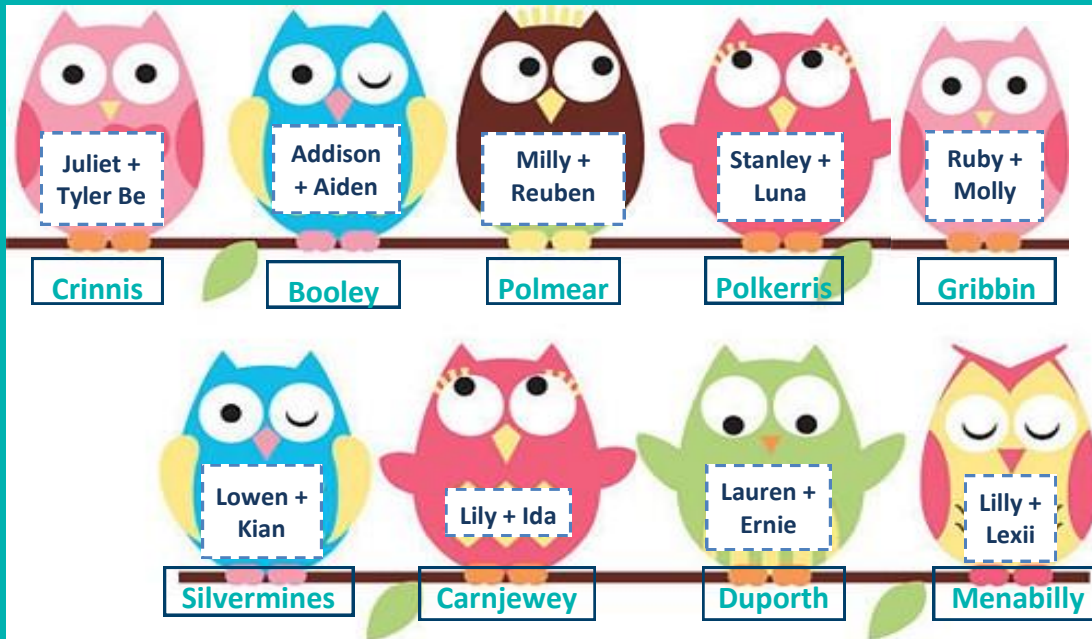

Susan Raikes, Director of Learning, Science Museum Group
